Linebreeding: Yasko Farbenspiel (4-4) Ursus Batu (5,5-5)

General Information: **Height at Withers** 64.5 cm **Depth of Chest** 30 cm **Chest Circumference** 80 cm **Weight** 32 kg
Pigment: strong **Coat:** long stock coat **Colour & Markings:** Black and Gold **Testicles:** well developed

General Description

A large, medium strong, substantial, well balanced, long stock coat dog of very good type and balanced angulations. Strong masculine head with very good masking and medium eye colour. Normal wither, firm back, very good length and lay of croup. Very good fore and hindquarter angulation where the balance is excellent. Steps slightly close behind where the hock joints are still to firm. Steps correct in front. During movement shows very good ground covering gait with powerful drive and maintains a good firm topline. Very good temperament. Gunsure.

Temperament Test and Gun Sureness

Character: trustworthy, reliable **Watchfulness:** very alert **Condition of nerves:** firm **Confidence:** self assured **Reaction to gun test:** self assured

Structural Evaluation Whilst Standing and During Movement
